👑 2025 Imperial Coronation

Documentation associated with the 2025 Imperial Coronation and the elevation of His Imperial Majesty as **Senior Emperor of the African Diaspora**. and Her Majesty Queen Saidah El'Sori-Oser **Recognized as Queen of the Nation as Empress**

By decree of the Emperor, he shall be saluted according to the ancient and sacred tradition of Yahwah, with bowing of heads, the official clapping of hands, and the thrice-repeated invocation of his royal and imperial dignity:

- 1. BEN! PEQUDOUTH! HA MELEK JAMEL!
- 2. BEN! PEQUDOUTH! HA MELEK JAMEL!
- 3. BEN! PEQUDOUTH! HA MELEK JAMEL!

Wherein HA MELEK means The King, and now by imperial authority, he is Ha Melek weHa Kaiser — The King and The Emperor.

The Words of the Most High

Thus says Yahwah, Keeper of the Covenant of Abraham, Isaac, and Jacob: “I raise up kings and I set them upon their thrones. I anoint those whom I have chosen to shepherd My people and to guard My house. My scepter shall not depart from Judah, nor the lawgiver from between his feet, until the one appointed comes, and unto him shall the gathering of the people be.”

By this divine utterance, it is established that the throne of the African Diaspora shall be restored in honor, unity, and righteousness, through the crown of Emperor Muja'Dib Jamel El'Sori-Oser VIII, overseer of Yahwah's people in the Sixth Region.

The Words of the Emperor

In full royal witness, His Royal & Imperial Majesty Emperor Rei Maraviyah Karwani XXXIV, Sovereign of the Kingdom of Yahwah, declares: “As I was entrusted with the keys of the Kingdom of Yahwah, so do I entrust and extend this scepter to my brother, Emperor Muja'Dib Jamel El'Sori-Oser VIII. Let the world know that the Most High has appointed him to sit among emperors, to rule among kings, and to gather the scattered Diaspora under one crown. His authority is not from man but from Heaven, and his reign shall be honored across the nations.”

Therefore, let it be known:

From this day forth, His Imperial Majesty Emperor Muja'Dib Jamel El'Sori-Oser VIII shall be honored, recognized, and saluted among kings, rulers, and nations as:

Imperial Emperor of the African Diaspora
Sovereign Emperor of the Numidoria Kingdom
High King and Overseer of the Sixth Region of the Americas
This appointment is sealed under the authority of the Kingdom of Yahwah, irrevocable, eternal, and binding under divine and royal law.

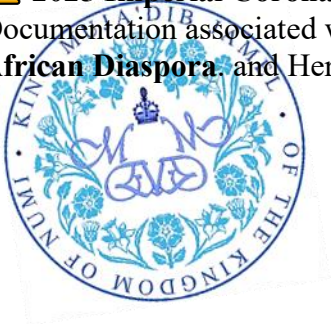

Given under Our Hand and Imperial Seal,
In the Kingdom of Yahwah,
This day, under Heaven's Witness.

APPRECIATION

HRM King Muja'Dib Jamel El'Sori-Ose,
The prominent figure in the African Diaspora,
The Kingdom of Numidoria

His Royal Majesty,

On behalf of the Ogoni people worldwide, and MOSOP USA, I sincerely appreciate His Royal Majesty King Muja'Dib Jamel, Grand Chancellor Al Bartell of Numidoria. His Cousin, the Queens, and his royal entourage honored our invitation and attended our conference. Most importantly, the sealed relationship which now exists between the two nations.

His Royal Majesty, the Ogoni people, and MOSOP USA appreciate you, the Kingdom of Numidoria, the African Diaspora for the adoption of the Ogoni Nation.

I believe that your collaboration with MOSOP USA will indeed liberate Ogoni. Ogoni needs to be free from internal colonization, oppression, intimidation, domination, total neglect, and annihilation which draws the extinction of Ogoni closer every second.

Words cannot express the joy in my heart that Ogoni has gotten a true friend who will stand side by side with Ogoni in our non-violent war against the two hundred million Nigerians, the multibillion-national Oil company, Shell, who have waged their violence, and ecological war against harmless, and defenseless Ogoni people.

I sincerely pray that God Almighty will strengthen the union and bless us with favor, good friends, sympathizers, and international or global support.

Sincerely,

Elder DineBari Augustine Kpuinen

His Imperial Majesty
Emperor Ben Ha'Melek Muja'Dib Jamel El'Sori-Oser VIII
Imperial Crown of the African Diaspora Kingdom

Your Imperial Majesty, My Esteemed Royal Cousin,

I receive your noble and gracious letter with profound appreciation, deep honor, and a sense of renewed kinship that words can scarcely convey. Your message, rich in dignity and ancestral consciousness, resonates strongly with the spirit of our shared heritage and the enduring legacy of our forebears.

It brings me great joy and satisfaction to acknowledge your sincere desire to strengthen and formalize the bond between our royal houses. Indeed, the Royal House of Bade holds in high regard the sacred ties of lineage that unite us as descendants of the illustrious Fula Fulani people—custodians of a proud and resilient civilization whose influence transcends borders and generations. Your vision of unity, cultural preservation, and mutual cooperation is both timely and commendable.

Be assured, dear cousin, that I am personally delighted and fully disposed to strengthening these bonds with Your Imperial Majesty. The prospect of fostering a renewed alliance between our houses, and by extension between Africa and her Diaspora, is one that I embrace with sincerity and optimism. Such a relationship holds immense promise for the advancement of our shared cultural identity and collective progress.

However, I deem it necessary, in the interest of your safety and the success of such an important engagement, to respectfully bring to your attention the current situation within our region. At present, the land is experiencing persistent security challenges, compounded by an approaching political season that is often marked by heightened tensions, electoral uncertainties, and, regrettably, episodes of violence and religious unrest.

In light of these prevailing circumstances, it would be most prudent to allow for a period of calm and normalization before undertaking a visit of such significance. This measure is advised not out of reluctance, but out of a sincere commitment to ensuring that your eventual homecoming is conducted in an atmosphere befitting your stature—peaceful, secure, and celebratory in every sense.

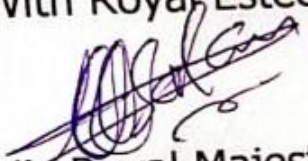

Pg. 1

I therefore humbly propose that we maintain close communication and continue to nurture our shared vision, while awaiting a more stable and favorable time to actualize your visit. When the conditions have improved, it will be my utmost honor and privilege to receive you on our ancestral soil, where together we shall reaffirm our lineage and strengthen the ties that bind us as family and as custodians of a noble heritage.

May the wisdom of our ancestors continue to guide us, may patience strengthen our resolve, and may the future grant us the opportunity to unite in peace and dignity.

With Royal Esteem and Warm Regards,

His Royal Majesty

Sovereign High King Ruler of the Kingdom of Numidoria and the African Diaspora

The Numi Kingdom of the Fulani Realm, under the Royal House of Muja'Dib El Sori, asserts its sovereignty in accordance with customary international law. This sovereignty is recognized under the framework of the United Nations Diplomatic Relations (Preamble, Article 47.1) and the UN Consular Relations, which affirm that a sovereign "subject of international law" is binding upon all states, irrespective of formal recognition (UN Law, Article 17.1). As a non-territorial state, the Numi Kingdom operates within the provisions of the UN Diplomatic Relations (Articles 1(i) and 3.1(a)). It is established as the "Kingdom" of the African Diaspora and Numidia people, a designation supported by the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP, Articles 3, 4, 5, 9, 33, 36, and 37). The Numidia people, recognized as an indigenous ethnic and spiritual community, are further protected under international law, as affirmed by the Great Seal National Association of Cultural Affairs (2019, p.11) and UNDRIP Article 8. This preamble affirms the sovereignty, rights, and international legal standing of the Numi Kingdom, guided by the enduring principles of equity, self-determination, and cultural preservation under the framework of international law.
